5) Returned with Compliments:-

In accordance with the Government Order dated. 12-7-44, the expenditure on the construction of the godowns has to be charged to the Food Supply Department evidently under the Major Head "32 B Expenditure connected with the war 1939." A separate detailed head "Buildings" may be opened under the existing minor head "3 Department of Food Supplies" and the expenditure incurred by the P.W.Department directly charged under that head in the P.W.Divisional accounts. If the money required for expenditure cannot be found by reappropriation of the existing grants of the Food Supply Department, an additional grant will have to be sanctioned by Government with the concurrence of the Legislature.

Sir,

In enclosing herewith a copy of G.O.No.SD.183-87/A.257-43-2 dated 12-7-44, sanctioning the construction of six godowns at Shimoga, Bhadravathi and Sagar at an estimated cost of Rs.3,30,000/- I have the honour to state as under:-

It is directed in the Government Order referred to above that the expenditure on this account is to be met from the funds of the Department. There is, however, no provision in the current year's budget on account of Buildings under the head of expenditure relating to this Department and it is also not advisable to charge this expenditure to the P.D.Accounts of the officers of the Department, which are mainly intended for the purchase of Foodgrains.

Under the above circumstances it is necessary that suitable provision of funds for the expenditure be made as this is a service Department, the expenditure will have to be treated as a final charge in the P.W.Accounts and an additional grant taken in the Public Works Departmental budget.

I, therefore, request that Government may kindly addressed and their orders obtained in this behalf.

I have the honour to be
Sir,
Your most obedient servant,
